

USE OF SCHOOL GROUNDS FOR NON-SCHOOL ACTIVITIES

DATES (Adopted/Revised)	GUIDE WORDS
Adopted August, 1973	Non-school Activities School Grounds

The various school grounds of School District No. 25 shall be available to the children and citizens of the area at times when the grounds are not being utilized for school purposes. The Superintendent of Schools may establish, at his/her discretion and if it is deemed necessary by him/her, reasonable regulations concerning the use of the school grounds of the schools within the District when they are not being used for school purposes and during non-school days. The permissive use will be such as will not constitute an undue nuisance within the neighborhood or the vicinity of the school grounds.
