

PRESENTATION BY OUTSIDE ORGANIZATIONS AND SPEAKERS

DATES (Adopted/Revised)	GUIDE WORDS
Adopted August, 1973 Revised November, 2004	Programs Community Resources

In general, the school principal, in consultation with the appropriate teacher(s), will determine if and when to use guest speakers or presentations by outside individuals or organizations. While acknowledging that many guest speakers or presentations are valuable, it is impractical to schedule the appearance of all speakers or presentations. Scheduling speakers or presentations merely to provide an audience for a speaker or organization to expound its views will not be allowed.

Any content of a controversial nature in lectures/speeches by guest speakers or in presentations should be referred to the District Curriculum Committee (DCC). The DCC will approve or deny the request.

Several factors will be considered in the use of guest speakers or presentations by outside groups:

1. Low impact on instructional time.
2. Appropriateness of material in relation to the curriculum.
3. Appropriateness of material in relation to the maturity level of the students.
4. Benefit to the students.
